Divisions 5, 6, and 7 have a Division Commander who is not in the Grand Commandery Line, so he needs to be at the Head Table ahead of the Deputy Divisions Commander.

*Remember the  
C.C., G.D.C.,  
G.G., & G.C.C.  
out rank Past  
Gr. Commanders for  
seating.*

**HEAD TABLE SEATING ARRANGEMENT**  
(When the Grand Commander is present)

This is the FRONT of the Head Table

|                    |                                |               |                       |                    |                                |                       |           |                 |                             |                      |                              |                  |           |
|--------------------|--------------------------------|---------------|-----------------------|--------------------|--------------------------------|-----------------------|-----------|-----------------|-----------------------------|----------------------|------------------------------|------------------|-----------|
| Division Commander | Lady of the Division Commander | Grand Officer | Lady of Grand Officer | Inspecting Officer | Lady of the Inspecting Officer | Lady of the Commander | Commander | GRAND COMMANDER | Lady of the Grand Commander | Past Grand Commander | Lady of Past Grand Commander | Candidate's Lady | Candidate |
|--------------------|--------------------------------|---------------|-----------------------|--------------------|--------------------------------|-----------------------|-----------|-----------------|-----------------------------|----------------------|------------------------------|------------------|-----------|

(14 people) You stand **IN BACK** of the Table to set up the Head Table with Place Cards in your hand

**The Candidate and his lady are always at the head table.**

The Deputy Division Commander and the Prelate and their Ladies **DO NOT** have to be at the Head Table. They should be in front of the Head Table on one of the other tables.

We **DO NOT** place a Lady at the end of a table.

**HEAD TABLE SEATING ARRANGEMENT**  
(Inspecting Officer only)

This is the FRONT of the Head Table

|                           |                                       |                      |                                  |                       |           |                    |                                |               |                       |                  |           |
|---------------------------|---------------------------------------|----------------------|----------------------------------|-----------------------|-----------|--------------------|--------------------------------|---------------|-----------------------|------------------|-----------|
